Recently a motorist wrote to us saying that after three years service with Texaco Motor Oil in his Hudson Roadster, he has not had occasion to grind the valves or renew the piston rings. He found almost no wear, and his motor was clean and free from hard carbon.

THAT man saved a considerable sum on his repair expense. YOU can save too, by getting Texaco Motor Oil, and you can effect a further economy by using TEXA-CO Auto Gasoline, the gas that gives more miles per gallon.

Shoemaker Will be Nominated.
The following statement was given become it from Shoemaker's headquarters night.

The following statement was given out from Shoemaker's headquarters Monday evening:

We are confident of Mr. Shoemaker's nomination for congress. He has spoken to large crowds in practically every town and village in the First congressional district. His many supporters are earnessly working for his nomination. He will carry the four western counties by two thousand and at least four of the other six by good pluralities. We base our estimate on substantial reports received from all parts of the district. Nothing is conceded to Moore. We do not find the support for him that his manager, ex. Chief of Police Burns, claims and cannot consider him a strong candidate.—Political advertising.
